BODY SELF-TANNERS

● WINNER

GREEN PEOPLE ORGANIC FORMULA SELF TAN LOTION, £14.99 (tel: 01403 740350). From a trusted natural skincare company, this non-greasy lotion (suitable for the face, too) absorbs within ten to 30 minutes (reports varied) and develops over two to three hours. Although not quite a beauty steal, this is a good-value product which contains organic aloe vera and rosehip oil to cherish skin. Testers loved the 'delicious' fragrance of rose geranium, sandalwood and vetiver essential oils.

✳ **Comments** 'Creamy consistency, lovely scent, sank in quickly'; 'Colour was natural on my medium to fair skin; lasted three days and wore off evenly'; 'Gave me a very natural-looking tan, rather than just a glow'.
